DSR Travels onboards highly competent, Aptly trained and efficient team which is responsible for smooth and well-coordinated operational services. The company has in place a rigorous recruitment policy to scrutinize and filter the drivers recruited to ensure the established DSR Travels Quality Policy.

Hiring: Experienced and professional industry experts are absorbed into the company with background checks for a clear track record.

BGV: Background Verification of Ground Team happens through a physical inspection of the address as specified on the Government ID cards by external third-party agency.

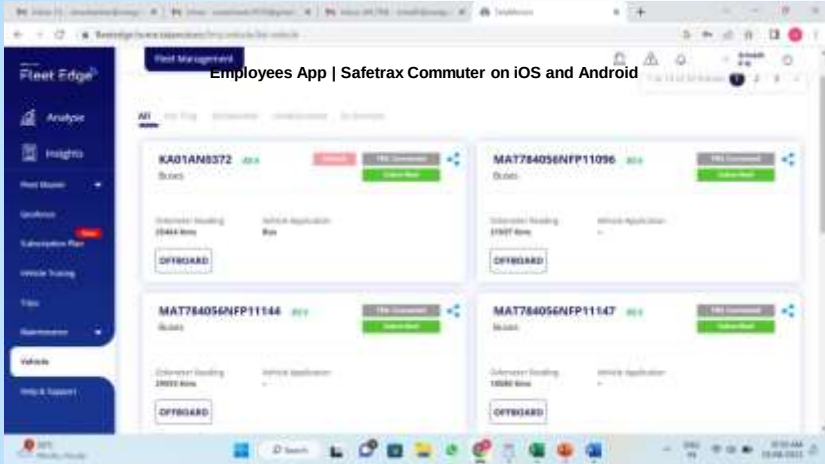

Police Verification: Police Verification is filed online and one copy of the Police Verification is submitted to all customers.

Training: The Ground Team undergoes an induction process covering company introduction, document verification, and license submission. In addition to daily briefings, quarterly training programs are held to empower drivers.

Medical Health Check: Drivers – Eye Site, Audiometric Check, Blood Pressure, Sugar, & ECG Checks every 3 months.

Rewards & Recognition Programs: We conduct R&R programs quarterly to reenergize the ground teams and to ensure attrition is controlled.
